

# Georgia Department of Education Strategic Plan

## Goal One: Making Education Work for All Georgia's Students

**Strategy:** Support local school systems in providing students with educational opportunities that will enable them to become college and career ready.

## Goal Two: Making Education Work for Georgia's Educators

**Strategy:** Support local school systems in the development of strong educational leaders at all levels.

## Goal Three: Making Education Work for Georgia's Parents

**Strategy:** Support opportunities for parents to become more actively involved in their child's educational development and progress.

## Goal Four: Making Education Work for Georgia's Businesses and Industry

**Strategy:** Support economic development in the state by providing programs aligned to workforce needs.

## Goal Five: Making Education Work for Georgia's Education Partners

**Strategy:** Provide open and clear communication and collaboration between GaDOE and statewide and national partners.
