

the federal court decides to reverse the Local Board's decision, then the issues raised before the State Board of Education will be moot.

Based upon the foregoing and a review of the record, along with the filings made in the federal court, it is the decision of the State Board of Education to stay the appeal until the parties inform the State Board of Education that a decision has been rendered in the federal case filed by the Student.

This \_\_\_\_\_ day of February 2011.
