Georgia Charter Schools Association

Plant a charter. Grow a kid.

WHO WE ARE:

- Georgia's charter membership association
- Serve operational charters and petitioning groups

WHAT WE DO:

- Support the development of high quality charters
- Support sustaining high quality charters
- Advance public awareness of charter schools
- Communicate charter school needs to legislators
- Advocate for legislation positively impacting charter schools
- Facilitate networking and communication opportunities between charter schools, vendors, and service providers
- Provide programs and services to support charter schools
