

**Georgia Department of Education - E-Rate Letter of Agency  
For Funding Years 2010 - 2012**

This is to confirm our school district's participation in the Georgia Dept. of Education's E-rate Consortium for the procurement of telecommunications service and internet access. I hereby authorize Georgia Dept. of Education to submit FCC Form 470, FCC Form 471, and other E-rate forms to the Schools and Library Division on behalf of the undersigned school district.

I understand that in submitting these forms on our behalf, you are making certifications for our school district. By signing this letter of agency, I make the following certifications:

- (a) I certify that the schools in our district are all schools under the statutory definitions of elementary and secondary schools found in the Elementary and Secondary Education Act of 1965, do not operate as for-profit businesses, and do not have endowments exceeding \$50 million.
- (b) I certify that the schools in our district have secured access to all of the resources, including computers, training, software, maintenance, and electrical connections necessary to make effective use of the services purchased as well as to pay the discounted charges for eligible services.
- (c) I certify that the schools in our district are all covered, or will be covered at the time funded services are provided, by E-rate approved technology plans (unless discounts are only being requested for basic local and long distance telephone service).
- (d) I certify that our school district is compliant, or will be compliant at the time funded services are provided, with the Children's Internet Protection Act (unless discounts are only being requested for telecommunications services.)
- (e) I certify that the services that our school district purchases using E-rate discounts (as described in the law 47 U.S.C. Sec. 254) will be used solely for educational purposes and will not be sold, resold, or transferred in consideration for money or any other thing of value.
- (f) I certify that the entities eligible for support that I am representing have complied with all applicable state and local laws regarding procurement of services for which support is being sought.
- (g) I certify that our school district has complied with all E-rate program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments.
- (h) I understand that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of the benefits from those services.
- (i) I certify that I am authorized to sign this letter of agency and, to the best of my knowledge, information, and belief, all information provided to Georgia Dept. of Education for E-rate submission is true.

I understand that persons willfully make false statements on E-rate forms or through this letter of agency can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. Secs. 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. Sec. 1001.
