2012 STUDENT RECORD DATA COLLECTION FILE LAYOUT

Student Level Record Layout (C01)

Student-level data elements - Information maintained at each school for each student enrolled in the school at any time during the 2011-2012 school year. These data include demographic, enrollment, and program participation information.

For each school, one student-level record must be submitted for each student that has been enrolled in the 2011-2012 school year. One record must be submitted for each student regardless of whether the student is active or inactive at the end of the school year. No-Show students are not reported.
