

The background features five circles arranged in two rows. The top row has three circles: a white circle with a light blue outline on the left, a solid light blue circle in the middle, and another solid light blue circle on the right. The bottom row has three circles: a solid light blue circle on the left, a solid light blue circle in the middle, and a white circle with a light blue outline on the right.

# **Engineering & Technology Education**

**Recruitment and Information Videos**

The background features several overlapping circles in a light purple color. Some circles are solid, while others are hollow with a thin purple outline. They are scattered across the slide, with some partially overlapping the text.

We have created two short videos that you can use to help inform students, parents, school officials, and other interested individuals about the Engineering & Technology Education program at your school.

Our goal was to provide you with a resource that you could use to inform and educate people about your valuable and exciting instructional program. It would be ideal for open house events, faculty meetings, PTO meetings, or classroom activities.

# Two Recruitment and Information Videos

- Long Version - 5 minutes
  - Teacher interview with former student about the value of the E&TE program
  - Teacher explanation of the E&TE program
- Short Version - 2.5 minutes
  - Vignettes of current and past students on the value of E&TE

# Available On-Line
