Group Activity #1 Waivers and Innovations

Instructions:

- 1) Work as a team to write down/describe one innovative practice or program which your school will implement. The innovation may be instructional or operational.
- 2) Work as a team to write down one waiver from state law that your school will need to request in its charter in order to implement this innovation.
- 3) Explain how each will help improve student achievement and help your school meet its academic performance goals.
